"The PUNCTUATOR is a refreshing solution to a tired problem . . . next to a spray-on punctuator, this wheel is the most painless way I know for mastering comma splices and sentence fragments."

William W. Main,
Assoc. Professor of English,
University of Redlands

"I teach English on the high school level. Recently I obtained a copy of your "The Punctuator" from a college friend and showed it to my classes. Several of my students want to order "The Punctuator."

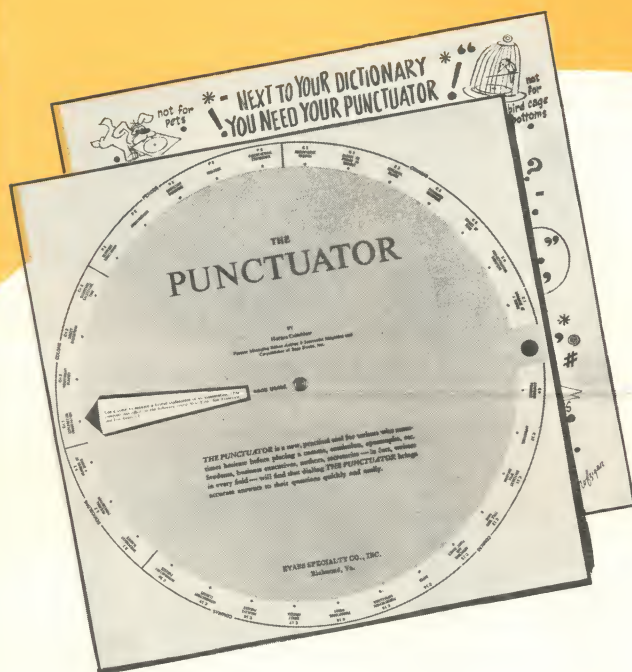

John C. Cox, Jr.
